

EASIWEIGH CATERING SCALES

FEATURES AND BENEFITS:

The Easiweigh scales are designed for a variety of weighing applications in the bakery and catering industries. You can weigh directly into your own container which will stand on the 260 x 220mm stainless steel plate. Alternatively there is an optional 405 x 280mm stainless steel oblong pan that can be fitted. Easiweigh streamlines recipe weighing. Simply re-zero the display after adding each ingredient to your mixing bowl. Easiweigh gives exact portion control and is deal for dietary weighing.
